

Alan Simpson, Senator from Wyoming , Co-Chair of Obama's deficit commission, calls senior citizens the *Greediest Generation* as he compared "Social Security" to a Milk Cow with 310 million teats.

August, 2010.

Here's a response in a letter from a unknown fellow in Montana ...

I think he is a little ticked off! He also tells it like it is!

"Hey Alan, let's get a few things straight..

1. As a career politician, you have been on the public dole for FIFTY YEARS..

2. I have been paying Social Security taxes for 48 YEARS (since I was 15 years old.

I am now 63).

3. My Social Security payments, and those of millions of other Americans, were safely

tucked away in an interest bearing account for decades until you political pukers decided

to raid the account and give OUR money to a bunch of zero ambition losers in return for

votes, thus bankrupting the system and turning Social Security into a Ponzi scheme that

would have made Bernie Madoff proud.

4. Recently, just like Lucy & Charlie Brown, you and your ilk pulled the proverbial football

away from millions of American seniors nearing retirement and moved the goalposts for full

retirement from age 65 to age 67. NOW, you and your shill commission is proposing to move

the goalposts YET AGAIN.

5. I, and millions of other Americans, have been paying into Medicare from Day One, and

now you morons propose to change the rules of the game. Why? Because you idiots

mismanaged other parts of the economy to such an extent that you need to steal money from

Medicare to pay the bills.

6. I, and millions of other Americans, have been paying income taxes our entire lives, and

now you propose to increase our taxes yet again. Why?

Because you incompetent bastards spent our money so profligately that you just kept on

spending even after you ran out of money. Now, you come to the American taxpayers and

say you need more to pay off YOUR debt.

To add insult to injury, you label us "greedy" for calling "bullshit" on your incompetence.

Well, Captain Bullshit, I have a few questions for YOU.

1. How much money have you earned from the American taxpayers during your pathetic

50-year political career?

2. At what age did you retire from your pathetic political career, and how much are you

receiving in annual retirement benefits from the American taxpayers?

3. How much do you pay for YOUR government provided health insurance?

4. What cuts in YOUR retirement and healthcare benefits are you proposing in your disgusting

deficit reduction proposal, or, as usual, have you exempted yourself and your political cronies?

It is you, Captain Bullshit, and your political co-conspirators called Congress who are the

"greedy" ones. It is you and your fellow nutcases who have bankrupted America and stolen

the American dream from millions of loyal, patriotic taxpayers. And for what? Votes.

That's right, sir. You and yours have bankrupted America for the sole purpose of advancing

your pathetic political careers. You know it, we know it, and you know that we know it.

And you can take that to the bank, you miserable son of a bitch.

If you like the way things are in America, delete this. If you agree with what a fellow

Montana citizen says, PASS IT ON!!!!

This would change everything and should be retroactive!

No one has been able to explain why young men and women serve in the U.S. Military for

20 years, risking their lives protecting freedom, and only get 50% of their pay. While politicians hold their political positions in the safe confines of the capital, protected by these same men and women, and receive full pay retirement after serving one term. It just does not make any sense.

35 States file lawsuit against the Federal Government
Governors of 35 states have filed suit against the Federal Government for imposing unlawful burdens upon them.

It only takes 38 (of the 50) States to convene a Constitutional Convention.
This will take less than thirty seconds to read. If you agree, please pass it on.

This is an idea that we should address.

For too long we have been too complacent about the workings of Congress.

Many citizens had no idea that members of Congress could retire with the same pay after only one term, that they specifically exempted themselves from many of the laws they have passed (such as being exempt from any fear of prosecution for sexual harassment)

while ordinary citizens must live under those laws. The latest is to exempt themselves from

the Healthcare Reform... in all of its forms. Somehow, that doesn't seem logical. We do not

have an elite that is above the law. I truly don't care if they are Democrat, Republican,

Independent or whatever. The self-serving must stop.

If each person that receives this will forward it on to 20 people, in three days, most people

in The United States of America will have the message.. This is one proposal that really

should be passed around.

Proposed 28th Amendment to the United States Constitution: "Congress shall make no

law that applies to the citizens of the United States that does not apply
equally to the
Senators and/or Representatives; and, Congress shall make no law that
applies to the
Senators and/or Representatives that does not apply equally to the citizens
of the
United States .."
