News from Arnie & Phyllis!

October is here! The weather man said that snow is not far away! O-well it happens every year, some of us stay in the north and play in the snow and we have those that head south at the first sight of one little snow flake !!!! As for Phyllis and I we plan to stay in Michigan until about the third week of January, then we`ll head south in time for the Jayco Snow Bird Luncheon. The luncheon will be at HOMERS BUFFET in Sebring, FL. -- Feb. 6th. -- at 2:00pm -- we have a room that will seat 100, so bring your friends and have a good meal and fellowship.

Back to September. We arrived home after the bridge walk on the 4th., cut the grass, looked over the mail of three weeks. Sunday the 9th. was the Rocco reunion, we have missed many of the reunions in the passed because of traveling east to NY. & PA. State Rallies. My Aunt Martha Rocco -- well in her 90`s has lived on the same farm for ever -- as long as I can remember. After the reunion it was back home hook up the 5th wheel and go to the office to pick up some Jayco wearables and door prizes. On the 11th. we headed for the PA. State Rally - New Holland, PA. - that's about 6 miles east and a little north of Lancaster, PA. They had units from N.J. - N.Y. - PA. and of course Michigan. Would of had more from NY. but their State Rally was the same weekend - next year the Rallies will be on different weekends so maybe some of the people will attend both Rallies that would be great, I hope that we can make both next year -- a lot of water has to go over the dam before next year, but we have them on our vacation plans for next September!!! We always have a good time at the State Rallies -- with games -- catered meals -- camp fire each night -- it was a big campground,-- had room for many more units, pleased with the units that joined in the fun -- for the weekend. Had 2 or 3 new units at the Rally and one couple went to the Hershey RV Show and bought a Jayco Class A Pusher Motor Home, they have been looking & thinking for about three years, so they went to the show - look at it -- drove it -- and bought it -- happy travels, enjoy!!! Back to the office we unloaded the wearables, put them back on the shelves -- you can call the office if you would like something from the wearable stock -- it can be shipped. Back home for a week, then it was off to White Cloud, MI. for a invitational Rally hosted by Flight #34 -- Better Late Then Never Club from the Grand Rapids, MI. area -- had about 20 units, (I didn` t count) -- there was units from all around the State -- some traveled 180 miles for the Rally - its been a yearly invitational Rally for many years now - - our club (Flight #33) made it our monthly camp out -- most of the units were at this years International Rally, its still fun to get together -- games -- donuts & cider -- a nice pot luck meal on Sat. night and of course we had a fire each night. Now you know what we have been up to, if you would like the membership to know what your club has been up to, you can send an article to the office and it can be added to the ENewsletter,-- also your State Rally info should be send to the office -- so it can be added to the ENewsletter, we all would like to know about your State Rally!!

2013 Nova Scotia, Canada -- June 24 - July 11 -- its an 18 day trip, one of those Jafari Trips that you may only do one time so you want to see as much as you can. A lot of things to do and see -- bus trips - some lunches - a couple Lobster dinners - free days - Anne of Green Gables Play -- International Tattoo Show -- it was the high light of the trip the first time we went on the Nova Scotia Jafari Trip.

Jayco Jafari International Rally -- August 5 - 9, 2013 -- Marion, North Carolina -- Tom Johnson Camping Center -- " Where Main Street Meets the Mountains " Over 300 full hook-up sites, lets see if we can reach the 150 unit mark two years in a row. Sign up early -- no prize for signing up early but it helps with the planning!!!! If you have any question ?????? please call or e-mail -- if I don` t have the answer I` ll call the office or

make up a answer !!!!! (Just kidding)

Until Next Time Safe & Happy Travels With Your JAYCO Go-RVing

Halloween Night

© Manda

**Trick-or-Treat is all you hear,
kid's running around yelling "look what I got!"
Ghost yell "Boo! I scared you!"
Teens scaring little kids by saying "They're gonna get you."**

**There's a full moon tonight,
The monsters come out and play.
Black cats and bats are all over in the night,
You better not cross through the grave yard today.**

**Pumpkins glowing thorough the night,
fog covering the glow of the moon.
Teens saying "they are very near."
And all kids get very scared.**

**Run run as fast as you can,
though the night.
Only seeing by the glow of the moon,
Hearing laughs of the cruel dead ghouls.**

**Doors shut,
parents say good night.
Now you just have to wait,
for next Halloween Night.**

Our Sympathy . . .

We are sorry to inform you that we lost a dear member of our club this month.

Kathy Burgon lost her bravely fought battle with cancer on Sept 10th. She wasn't in our Jayco family for a long time, but her and Garth jumped in with both feet and became so completely involved, that it seems like decades instead of years. She will be greatly missed.

Dear Arnie & All,

John Nowicki passed away on Monday, Sept 10 and was buried this morning., He was diagnosed with lung cancer (damn cigarettes) on Feb 8 and we were so sure we beat it! He wound up hospitalised on Friday and we found out it was in his liver, back & brain. By Monday he was gone.

I do not expect to be Jaycoing and send love & hugs to you all. You are the most wonderful friends to vacation with!

Hugs, Arnie. Life can turn you upside down in a minute.

Love,

barbara nowicki
