OCT. 2013

Hi! its fall and the leaves are changing. It's time to go camping and see all the colors of the forest, the colors will be moving south, you do not have to be in the north to see the beauty of mother nature.

We did complete the bridge walk (the BIG MAC) for the 24th. time and we plan to do it all over again next year, if we are still walking HA-HA - after all its just 5 miles then we get to EAT!!!!

We left Mill Creek Campground Tuesday Sept.3rd. and stopped at home for one night, checked our mail and did the laundry. Wednesday Sept. 4th. we were on our way to the Pa. State Rally, we jumped on I-80 and headed east - we stop at one of the service centers (they have camping sites) stayed the night - the noise was not as bad as we thought it would be with the trucks pulling into the rest area (jake-brakes and all).

Thursday it was off to Bedford, PA. - just south of Bedford on 220 about 7 miles we found the campground -- MERRITT POND CAMPGROUND -- it is a small campground only 25 sites or so -- has a nice lake with lots of fish -- on the east side of the lake is a mountain range and when mother nature paints that range with all the colors it will look like a Quilt !!! The Wise Owls Flight #51 was the host club this year - the campground was full, you might say it was over flowing - the club had the whole campground so it worked out just fine - doubled up on some of the sites - its just one big family - that's how you get to know everybody a little better!!! Friday night they served pizza and Sam had his usual big camp fire - he had a little help - I did see some other people throwing wood on the fire, but you can always count on Sam to keep the fire burning.

Saturday they had games and their version of bingo - everybody ends up with a prize - it might be candy - nuts - roll of xxxx paper - everything is in a bag, you just don't know what you'll end up with - its all in fun !!! Also Sat. evening they had a nice catered meal after the meal they handed out door prizes and awards then it was back to SAMS camp fire -- it was a little cool so it felt good thanks for the worm fire Sam!! Had a Continental Breakfast Sunday morning -- then its time to pack up and head North - we had 11 days to hang out till the NY. State Rally in Frankford, NY. -- we stayed 3 nights at Tomkins Campground and 8 nights at Ives Run Campground, both are Corps of Engineers Campgrounds - near Tioga, PA. west of State Road 15 just south of the NY. State line -- we did a little site seeing and found some different restaurants to eat -- in Lawrenceville - in Wellsboro - in Mansfield & of course THE BIG MAC so Phyllis could get her a BIG ICE TEA -- that made her day!!! In Wellsboro they have a very nice Goodwill store so I took Phyllis to the GOODWILL and I set in the truck with my paper and went over it more then once - she had a good time looking everything over!!!!

We arrived at the fairgrounds in Frankford, NY. on the 19th. (Thursday) set up -- then it was time to go eat at a restaurant downtown Frankford, NY. -- Friday morning we needed to mail a card so off to town we went, then back to the campground to hang out and talk to the members when they arrived for the weekend. Friday evening about 30 people drove to Herkimer, NY. for a fish fry dinner which was very good -- had a nice fire that evening. Saturday they put together several games for everybody to enjoy - also they had a cow milking contest - see how much milk you could get in the pale in 30 sec. Phyllis WON for the women with 10-1/2 oz. in the pale - she had not milked a cow in about 65 years!!!! It wasn't a real cow. Saturday evening we had a nice catered meal, after the meal everybody brought a paper bag with something in it

(it could be almost anything???) then it was auctioned off for 50 cents to \$5 or maybe

\$6. Also they had a silent auction -- the tables had a lot of this and that's to bid on - I bought a home made apple pie - it was so-so good, maybe another pie will show up next year. The money from the auctions went to the host club for expenses.

Saturday night the Singing DJ (The Good Ole Boy) was the Entertainment for the night (about 2 hours) nice job Bob Durant and your side kick Lois!!!!??? Sunday morning they had a big breakfast - pancakes - eggs - bacon - juice - & coffee. Following breakfast they had a church service with singing.

It was time to pack up and head west toward Michigan we made it to Westfield, NY. for the night - left mid morning after breakfast and drove to Dundee, MI. for one more night - then it was on HOME Sept. 24th. Thursday we had a dentist appointment then we headed for White Cloud, MI. for a weekend camp out hosted by the Better Late Than Never Club Flight # 34 -- had roasted turkey & chicken with the pot luck dinner Sat. night -- after dinner we played card bingo -- had a camp fire till when ever; it was late !! Continental breakfast Sunday morning - packed up and 3 units -Cutlers - Jarvis & Rocco's headed for Ludington, MI. State Park - stayed 4 nights - it was a very nice 4 days - we even cooked over the fire a couple times and had pumpkin pancakes & bacon one morning for breakfast um-um it was so good.! Oct. 3rd. we finally headed for home BUT we made one more stop at the BIG BOY for breakfast - we said our good byes and headed for home.

Sus uehanna ays Flight 89

The Sus uehanna ay's campout for September was a state rally held on September 6-8 at Merritt Pond Campground in Bedford, PA. Attending the campout were Bob and Elma Defer, Ben & Janet Engelman & her mother Cathy, Harland and Carol Smeigh. All total at the state rally campout were 23 units comprising of the Sus uehanna ay's, the Wise Owls and the Nittany ay's. The weather for the weekend was very nice, a little bit of rain on Saturday night but other than that it was a very nice weekend. Because the campground had shut down as far as the general public, the owners of the campground opened it up for the use of the state rally. As people came in on Friday afternoon you were presented with your welcome package. Friday evening started off with a pizza party comprising of 19 pizza pies. Later Friday evening there was an ice cream social followed by a campfire and lots the conversation. Saturday was another beautiful day and a good time to go over to the local pond at the campground and do some catch and release fishing. Later Saturday was the annual baseball contest and as you might have expected the Wise Owls took the baseball championship. Along with the baseball contest there was also hillbilly golf and crazy bingo games available. On Saturday evening we were given a very good catered meal followed by the campfire and again cake and ice cream. On Sunday there was the raffle of various goods, at the end of that the Wise Owls gave a \$100 contribution to Justin Wises golf outing with the proceeds going to the Mario Lemieux Foundation which Justin is doing in memory of his mother. We would like to thank Arnie and Phyllis Rocco for attending the campout this year. We would also like to thank the Wise Owls for a wonderful weekend at Merritt Pond and for all the hard work that they did to make our weekend very enjoyable. The next International Rally will be held August 11, 2014 at Goshen, Indiana. The 2014 State Rally will be hosted by the Sus uehanna ay's the date to announced later.
