Tidbits

Alaskan Adventure

Imagine a place where you can always find picture perfect snowcaps, along with glaciers, flowing rivers and pristine landscape. The air is clear and the sky is blue. Moose and reindeer are some of the pedestrians you meet along the way. You can pan for gold, ride the train, and enjoy campfires, nature walks and good companions and maybe even fish for trophy size Halibut. The great thing is that this is not a dream!

This is Alaska!!

We'd like for you to join us in 2015 as a group of fellow RVers head "North to Alaska". Recreational Club Management is in the process of planning this trip of a lifetime open to all RVers who have traveled with us in the past. Regie and Brenda Price who have been long-time Starcraft Camper Club members will be our Wagonmasters. They went on Starcraft's trip in 2006 so they are familiar with the trip.

We have not received all the prices back from the campground, tours, etc. so I can't give you a firm pricing yet. Our last trip was in 2011 and the price was \$5600 and our itinerary will be about the same. The trip will start on July 24, 2015 at Dawson Creek, British Columbia and will end on September 1, 2015 at Whitehorse, Yukon Territory.

If you are interested in joining us let the office know. We are not taking firm reservations at this time but we'd like to know how many families are interested. We need a minimum of 20 units to make this trip a go so give Jackie a call (800) 262-5178, or email her at membership@recclub.com and tell her you are interested and would like more information as soon as it is available.

Hope to see you in Alaska!

Sherry Branham

If you have your 2014 camping or state rally schedules ready, please send to: membership@recclub.com and I will publish them for you.

Recreational Club Management was contacted by Rob Russo an MBA candidate at F.W. Olin School of Business at Babson College in Massachusetts requesting information from our members in regards to a project their team is working on. They have been asked to develop a business concept before graduation. Their 6 person team is developing an idea around an RV marketplace in which RV Owners list their RVs on a website and interested renters can negotiate a rental price. This is very similar to what airbnb (www.airbnb.com) has done with room rentals. They know this may not be of interest to some RV owners but they still need to collect several hundred points of data. They are reaching out to the various RV clubs to see if you might assist in gathering this data. They have a very quick 5 minute survey to collect demographic and interests data from RV Owners. They are not collecting any personally identifiable information or PC information. If you are interested in participating in this survey you can go to the following link: <https://www.surveymonkey.com/s/RVOwners>.

Susquehanna Jays #89

The Susquehanna Jays Jays Club camped at Cocalico Creek Campground from April 25-27, 2014. Attending the campout were Jon & Shirley Holtzer, Jack Rudy & Martha Shover and their granddaughter, Shania: BJ & Chrissy Dudley and their daughter, Kelsey: Ken & Janet Engelman and Janet's mother, Cathy: Sam & Joyce Beyer: Bob & Velma Keefer: Randy & Susie Sloan, and Randy's brother, David Sloan and his fiancée, Kathy Reisinger.

We had a shower on Friday evening after everyone arrived: then the rest of the weekend was sunny and cool with a breeze. Saturday, a few of the ladies visited the local fabric shop looking for material to make quilts. Others visited and caught up on the winter news. In the evening, we had a very tasty covered dish meal – lots of good food and desserts. After the meal, Bob Keefer brought the meeting to order with the Pledge to the American Flag. Treasurer's Report was given and then the meeting was open to anyone having anything to bring up for discussion. Velma Keefer noted that the Ferry Boat Campground could not give us the campsites we were looking at for the August campout the weekend of August 22-24. So, the members elected to camp with Colin & Doris Crouse the weekend of August 22-24 at their permanent site campground at the Jonestown KOA (formerly Lickdale Campground) at 11 Lickdale Rd, Jonestown, PA 17038. This campground is located just through the traffic signal (crossing over Route 72) after you use Exit 90 off of Interstate 81. The Secretary will be getting reservation forms out to you in the next newsletter. We want to thank Colin for including Janet & Ken's cell phone number on the reservation form. The 50/50 was won by Velma Keefer and Randy Sloan.

Just a reminder: 2014 PA State Rally reservations need to be in to Velma Keefer at 2880 Valley Rd, Marysville, PA 17053 by July 1, 2014. If you need a reservation form, please call Mrs. Keefer at 717-957-0035. The Rally is being held at Ye Olde Mill Campground, Burnt Cabins, PA from September 26-28, 2014.

Being no further business, Chrissy Dudley made a motion to adjourn: seconded by Randy Sloan. President, Bob Keefer, adjourned the meeting.

Acting Secretary
