Hello out there in Jayco land -- its long over due E-mail - I've been dragging my feet - had a little R & R - waiting for dates for next years International Rally - I have the dates - they are penciled in - before I get into next year just a little on = where = when = why

Let's start in Lebanon TN. the 2016 Jayco International Rally -- We arrived July 14th along with one of our helpers Darlene Jarvis to get ready for the membership to start coming Friday afternoon -- parking went well -- only had 46 units -- lots of room!!! Some of the members went on the General Jackson dinner & show ride on the river -- others took in the Grand Ole Opry. Kevin Branham arrived along with 2 helpers (Tessa Branham & Tony Rector) they help Kevin at the wearable store - helped run some of the games -- Tony called Bingo; Tessa kept an eye on him -- Thursday morning they helped Kevin with his Pancake Breakfast!! All the units were in by Monday except one first timer arrive on Tuesday and left on Thursday to get home for a family reunion back in Natchez MS. I hope they will see fit to join us next year !!! We had lots of help with parking and Registration -- I'm not going to list everybody that HELPED -- if I forget somebody that just wouldn't be good!!! If you helped in any way (A LOT or just A LITTLE) Phyllis & I want to THANK YOU -- things just would not happen with out ALL YOUR HELP.

We stayed one extra night at Lebanon before starting home -- stop at Cave City for two nights as there was storms moving across Indiana -- we needed to stop at the office and leave supplies from the Rally then it was on to Michigan -- Darlene was with us and when we got to Marshall she stayed one night at Turkeyville Campground -- then she was on home to Grayling -- she was a lot of help at the office and at the Rally.!!!

Our county fair was coming up the next week so I was able to attend 3 days before our local club camp out at Warner Camp near Grand Jct. MI. -- we had 8 units at the camp out -- had lots of rain & wind - a Tornado touched down about 3 mile south of the campground, it missed us - we were very lucky!!!!

The next week we drove to Darlene's for 1 night -- then on across the BIG MAC. to the SOO LOCKS -- our campground was right on the St. Marys River -- seen a lot of big boats going to and from the SOO LOCKS, stayed for a week then it was time for the bridge walk across the BIG MAC -- we camped at Mill Creek for 5 nights -- we made the walk across in about 2 hours just in time for breakfast (don't want to miss a meal) (Phyllis & I have walked every year sense 1989 & it's still 5 miles long !!)

Home on the 6th tues. -- wed morning Sept.7th (dentist) afternoon headed east for the PA. State Rally near Bedford, PA. -- Merritt Pond camp ground -- had a good time - lots to eat - and they have a BIG bean bag baseball game --I was on the Nittany Jaycos team and Phyllis was on the Wise Owls team -- the game went back and forth -- Phyllis had already hit a home run then in the bottom of the 9th inning with 2 runners on base -- score tied -- Phyllis came to the plate -- and hit a walk off HOME RUN -- game over !!!! Now she wants to sign a new contract \$\$\$\$\$\$ good luck.!!

After the Rally we headed north to US Army Corps of Engineers campground near Tioga, PA. -- Ives Run Campground -- very nice campground -- they have any kind of hook-up you might want (even FULL hook-ups) we stayed 4 nights then it was time for the N.Y. State Rally -- at Herkimer County Fairgrounds -- Frankfort, NY.

another good time was had by all -- had 24 units camped for the weekend -- had games - Bingo - Silent Auction -- all kinds of things to bid on -- home made pies are a big draw - I have won the bid the last 2 or 3 years - will this year was no different they run me up quite high but I took both pies home with me and they tasted real GOOOOD!!!!?? Hope to see you pie bidders next year, it was a lot of fun!!!!!! Home from NY State Rally in time for a camp out at Manton, MI -- it was just an extra camp out for anybody that wanted to join in the fun -- had a nice pot luck dinner FRI. night -- lots of food !!! On Sunday 5 units headed for Ludington State Park -- Rocco`s - Cutler`s - Moran`s - Wacker`s - & Jarvis -- yes we all went out to eat - 1 -2 - 3 times !!!! That brings us up to date now you know where I`ve been dragging my feet.!!!

2017

Jayco International Rally

2017

Kevin has been working for the last 2 or 3 weeks checking on different fair grounds -- he came up with one in West Virginia !!!!!!!

West Virginia STATE FAIR GROUNDS

Lewisburg, W.V.

JULY 24 -- 28 2017

They have 300 FULL HOOK-UPS a nice building for our dinner & entertainment. We have never been in this area for any kind of a Rally so we need to get on board -- We had 46 units this year -- was not enough -- we need to get that number up near 100 units yes I said 100 units -- we want the International Rally to keep going - we don`t want it to END.!

I`ve done the -- where -- when -- now the WHY

Why we do what we do -- well we have been to every International Rally since 1989 -- the Jayco family is all over the U S & Canada the only time to get together is at the International Rally -- we have been to some of the State Rallies to see the people and enjoy the friendship -- a lot of our Jayco members are no longer with us -- the ones that are still able to get that RV down the road safely need to sign-up for the International Rally -- come make new friends and renew old friendships.!!

We don`t have the cost as yet -- when the office get that cost put together we`ll have it out to everybody -- until then you can still sign up -- call the office Jackie

can have you signed up in just a minute -- \$50.00 & a credit card and your good to go to West Virginia -- write it down -- July 24-28 2017

2018 will be Jayco's 50th year and we have a date for the International Rally --- June 25 - 29 --- 2018 Goshen, IN. -- put that on your bucket list!!

Until Next Time Safe & Happy Travels
