

Our Sept campout brought out 9 units and 21 people. We were able to have our pancake breakfast before it rained. We also were able to have our potluck after a few light showers. Our Oct. campout is at PJS in Stockbridge. He accepts only cash or check. It was decided instead of a potluck like we always have, to have chili and bake potato with the trimmings. Crystal is making a lemon rice soup to go with the chili. So if you have a favorite soup you would like to bring you can bring it.

We will have a few bring chili, desert, or potato toppings. If you will please call me as to what you want to bring then we all won't be bringing the same thing. Then I can e-mail you how many to expect so you know how much to bring. We talked about different campgrounds for next year so if you have one to add you still have time. We will decide next year's schedule at the campout.

Hoping to hear from you soon and no later than the 11th of Oct.

Take care and God bless,
Brenda
